Premier Economy AW Hydraulic Oil is a quality hydraulic oil developed as a general purpose anti-wear, rust, corrosion, and oxidation inhibited oil, suitable for use where service requirements are normal to moderate and long-term heavy duty protection is not critical. This oil is formulated with quality, refined mid-range viscosity index base stocks and select additives to provide wear protection.

BENEFITS:

- Economical alternative in applications that do not require severe pressures or extended oxidation life.
- For severe applications TruSouth Premium AW Hydraulic Oil is recommended.

Directions:

Always consult owner's manual for instructions and proper applications requirements.
